the series of historical rechals in-augurated by Prof. Karl Essimmen, was given last evening in iterital Hail at 8 o'clock, the large audience of music lovers which assembled, showing itappreciation of the sple adid program presented by frequent appliance. The Denisen orchestra of thirty-five pieces, under the brilliant leadership of Professor Karl H. Eschman, gave fresh proof of its valve as a majoral with proof of its value as a musical unit. glving the Norwegian suite with admirable spirit and precision. Miss Grace Jeanette Brooks of the Conservatory faculty, sang two Greig numbers with wonderful charm, and endeared herself to her audience by her sincerity, fine taste and admirable technique, no less than by her beautiful voice. Mr. Eschman in his seven Greig numbers, demenstrated his power over an audiquee, by his breadth of conception, and his wonderful command of the keyboard. He is an artist of distinguished ability, of whom Denison is justly proud. Mr. Hickman, who undoubtedly possesses one of the finest bass voices among the many fine singers in college, was an addition to the program, and received his tribute of recognition, after his "Cantique Noel" by Adam. This work of Prof. Eschman's is of undoubted value to both college and town and realization of the fact, grows greater with each recital. Below is last night's program as rendered:

#### USE COCOANUT OIL FOR WASHING HAIR

If you want to keep your hair in good condition, the less soap you use the better.

Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Just plain mulsified cocoanut oil which is pure and entirely greaseless), is much better than soap or anything else you can use for shampooing, as this can't possibly

Simply moisten your hair with water and rub it in. One or two teaspoonfuls will make an abundance of rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily, and removes every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy and easy to manage.

You can get muisified cocognia oll at most any drug store. It is very cheap, and a few enness is enough to last everyone in the family for menths.
